INVESTMENT ADVISOR RENEWS CERTIFICATION FOR FIDUCIARY EXCELLENCE

PITTSBURGH, January 19, 2021 – CEFEX, the Centre for Fiduciary Excellence, LLC, has renewed the certification of AGW Capital Advisors of Tampa, FL for the third consecutive year to the standard described in the handbook “Prudent Practices for Investment Advisors”. AGW Capital Advisors (AGW) remains part of an elite group of investment advisory firms which are certified in this global program.

The standard describes how an Investment Advisor assumes the responsibility for managing a client’s overall investment management process, which includes the selection, monitoring and de-selection of investment managers, as well as developing processes to implement investment strategies and fiduciary practices on an ongoing basis. According to the Managing Director of the Centre for Fiduciary Excellence, Carlos Panksep, “Maintaining certification requires a continued adherence to the industry’s best practices. This is verified through our annual renewal assessment.”

AGW Capital Advisors is certified for investment advisory and fiduciary services provided to private clients, defined contribution plans, defined benefit plans, foundations, endowments and family offices. AGW is registered at www.cefex.org/advisor, where the firm’s certificate can also be viewed.

The standard is substantiated by legislation, case law and regulatory opinion letters from the Employee Retirement Income Security Act (ERISA), the Investment Advisor’s Act of 1940, Uniform Prudent Investor Act (UPIA), Uniform Prudent Management of Institutional Funds Act (UPMIFA) and the Uniform Management of Public Employee Retirement Systems Act (MPERS) in the U.S.

A full copy of the standard can be downloaded from CEFEX at www.cefex.org/advisor and a summary can be viewed by clicking on AGW’s on-line CEFEX certificate. More information about AGW Capital Advisors is available at www.agwcapital.com.
